

OSRC 2024 / 2025 Membership Overview

There are **6 Membership Types**:

- Platinum (Annual)
- Gold (Annual)
- Indoor Tennis (October 1 – April 30)
- Summer Tennis (May 1 – September 30)
- Pool + Tennis (Memorial Day Weekend – Labor Day Weekend)
- Pool Only (Memorial Day Weekend – Labor Day Weekend)

For each of these 6 membership types, there are **3 categories**:

- Individual
- Couple
- Family

As always, individuals can use the club (pool, tennis, pickleball, private events) as a **non-member or guest** with associated fees. Additionally, if you are a **shareholder**, the historical benefits will continue without change.

Key changes to our pricing include:

- The **elimination of units** as an option for tennis membership. It is confusing to players and OSRC staff and does not promote a sense of loyalty to OSRC. We believe it is in the best interest of the club to move away from this approach.
- The inclusion of **cost-effective seasonal memberships** (Indoor and Summer)
- The change in pricing to **delineate between singles and doubles** for non-Platinum members (doubles is half the cost per person than singles)
- All courts (indoor and outdoor) are **'Free Unlimited' from 5/1 – 9/30** for Platinum, Gold and Summer Memberships

Other than the timing of the tennis memberships (annual vs. indoor season), the **key difference between the membership types is related to the frequency of play**. If you play frequently, Platinum is the best deal; though the monthly cost is higher, the incremental cost / court hour is \$0. On the other hand, the Indoor Membership, has a low monthly membership cost but a higher incremental court cost / hour

Please review the following tables (Cost and Benefits) to find the best membership type and category for you!
